Still have questions?

You can reach us at: contact-sewing@groz-beckert.com

Product catalog

Search for the desired sewing and shoe machine needles and get quick and easy access to over 2.500 items from our wide range of products.

Product information

Find detailed technical information for each needle such as special features, coatings, customary needle designations or the scope of application. So it is ensured that you always buy the right product.

Online shop

It's up to you whether you make your order from the product catalog, your order history, via direct order or Excel upload.

Personal account

View your personal data like delivery and billing addresses and contact persons. Find your complete order and invoice history, personal key figures and individual analyses in a quick and complete overview, all in one place.

Prices and availability

During the entire ordering process, current prices and availabilities are displayed. So you can plan for tomorrow and avoid bottlenecks in the warehouse. Benefit also from the fast delivery.

Clear design

Benefit from a user-friendly layout and a modern design concept, which enables you to use the Customer Portal in an improved and intuitive manner. Thanks to the responsive design, you can work efficiently and guickly, whether on a mobile device or on a desktop PC.

Complete your order in 4 easy steps.

Register and log in. Search for products. Fill your shopping cart. Send the order.

GROZ-BECKERT

1. Registration

Send your registration request via portal.groz-beckert.com. When you recieve your personal access data, you can use the provided link to log in to your account – worldwide and at any time.

2. Search for products

Find products quickly and easily via the search bar by using both standard market designations or Groz-Beckert designations. You can narrow your search by using different filters, e.g. point style or needle size.

4. Complete your order

Re-check your personal data and select the desired delivery and payment method. Finalize the order by sending it.
